

The plaza at Clairmont Campus where the bricks will be installed.

IN FALL 2002, EMORY CELEBRATED THE OPENING OF the new Clairmont Campus. As an individual who has spent time at the University, you have helped make Emory the great institution it has become. Now, you can become a permanent part of Emory by purchasing a brick engraved with your name in the plaza of Emory's Clairmont Campus.

Emory University's Clairmont Campus unites both graduates and undergraduates in a living and learning environment. The campus boasts 575 undergraduate and graduate apartments, a new Student Activity and Academic Center, as well as the American Cancer Society Hope Lodge, Mason Guest House, Clifton School, and Autism Resource Center. *Engraved bricks pave the plaza* in the center of the campus between the Student Activity and Academic Center and the apartments, *and are a focal point of the new campus.* Residents and visitors frequent the area, passing through, meeting one another, and admiring the names of those who have made Emory what it is today.

We welcome orders for engraved bricks from individuals, families, departments, clubs, outside organizations, athletic teams, and anyone else who would like to continue to support Emory and become a permanent part of the University.

PARENTS, PURCHASE A BRICK FOR YOUR SON OR DAUGHTER

BEGIN A FAMILY TRADITION BY PURCHASING AN ENGRAVED brick with the name of your son or daughter. One brick serves as both *a lasting tribute* to your student as well as a contribution to Emory University.

Your son or daughter is certain to appreciate this thoughtful and unique way of leaving a lasting mark on the campus where they have spent so many meaningful days. Not only will they cherish the gift, but future generations will enjoy finding this special recognition of their family's student years at Emory, and will look forward to seeing their own name on the plaza walk someday.
