

The image shows a large, multi-story brick building with many windows, likely an Emory University building. In the foreground, there is a green lawn and some trees. Overlaid on the image is the word "RYSE" in large, bold letters. The "R" and "E" are red, and the "Y" is yellow. A semi-transparent light blue box is positioned in the lower center of the image, containing the Emory University School of Medicine logo and the text "EMORY UNIVERSITY SCHOOL OF MEDICINE" and "Department of Medicine".

RYSE

The Council on Diversity, Equity, and Inclusion of the Emory University Department of Medicine invites fourth-year medical students from groups underrepresented in medicine, including but not limited to underrepresented minorities and individuals from disadvantaged backgrounds to apply for our Emory University Department of Medicine #RYSE Virtual Visiting Clerkship Program. This clerkship, which specifically targets students who intend to apply to and pursue a career in Internal Medicine (or an IM subspecialty), exposes students to a thriving academic medical center and careers in Medicine. Accepted students will receive:

- A \$250 stipend upon successful completion of the virtual experience
- Faculty mentorship
- Exposure to educational activities at Emory in the Department of Medicine
- Virtual exposure to clinical sites at Emory
- Opportunities to meet with residency leaders in the J. Willis Hurst Internal Medicine Residency
- Coaching for interview season

Application requirements and eligibility:

- Current enrollment at an accredited US Medical School
- Anticipated graduation of Spring 2024
- Self-identify on ERAS as a member of a group [underrepresented in medicine as defined by AAMC](#)
- Completion of attached application
- Letter of support
- Current CV or resume
- Official USMLE or COMLEX transcript

THE EMORY #RYSE VIRTUAL MINI-CLERKSHIP
Emory University Department of Medicine Council on Diversity, Equity, and Inclusion
