Faculty Awards

The URC held the reception and seminar for the Albert E. Levy Scientific Research Award on August 25, 2004. The award was established to recognize outstanding scientific contributions in the Biological and Health Sciences by Emory faculty members. The Levy Award winners in 2004 were Drs. Barry Shur and Paul Wade.

University Research Committee Chair and Executive Committee

David S. Pacini is currently serving his second year of a three year term as Chair of the URC.

The Executive Committee of the URC met on Friday, Oct. 1 to prepare for the Oct. 15 deadline. This year's Executive Committee is made up by David Guidot, Biological and Health Sciences, Elizabeth Pastan, Humanities, Eric Reinhardt, Social Sciences, Karl Hagan, Math and Natural Sciences and John Lennon, representing Visual and Performing Arts.

The Spring Executive meeting will be held on April 25, 2005 to determine the spring decisions and address policy issues.
