

## **Faculty Life Course Committee**

To address issues likely to enhance faculty life at Emory University across the academic span, from junior faculty to emeritus status. Features targeted should be those likely to improve academic productivity, facilitate faculty retention, and augment the quality of life and sense of community for faculty at Emory.

### **Goals for 2006-2007**

- Continue discussion of issues related to non tenure-track faculty at Emory
- Examine issues related to timing of faculty retirements
- Evaluate the feasibility of establishing a University Club (facility for faculty, staff and guests) on campus
- Continue to work with the Emeritus College on faculty support and development issues
