

## **Campus Development Committee**

### Mission Statement

The Campus Development Committee of The University Senate is responsible for giving advice to the Senate and to administration for matters which affect the appearance and function of the campus. The Committee reviews the design and site selection for new buildings, reviews plans for remodeling existing buildings, reviews the general appearance of the campus through the Beautification Subcommittee, reviews the adequacy of campus lighting through the Lighting Subcommittee, reviews accessibility of buildings on campus to handicapped persons through the Disability Accessibility Subcommittee, and reviews placement of outdoor sculpture in cooperation with the Director of the M. C. Carlos Museum. The committee forms other ad hoc subcommittees as needed to accomplish its tasks and maintains liaison with other pertinent Senate committees through representative membership.
