Mr. Joe Mitchell
Sodexo ~ Emory Dining Services
569 Asbury Circle
Cox Hall, Third Floor
Atlanta, GA 30322

Dear Joe:

Congratulations on Sodexo ~ Emory Dining Services receiving the designation as the first green certified college campus in the Green Foodservice Alliance Green Certification Program!

Thank you for agreeing to serve as the case study in the certification program and assisting the Green Certification Team in creating the parameters appropriate for multi-unit foodservice operations. When the program officially launches in the next several months, you will receive a printed certificate along with GFA Green Certified stickers for each of the six foodservice operations evaluated.

The GFA appreciates Sodexo ~ Emory Dining Services leading the charge in changing the operating standards in the foodservice industry. We are truly making a difference in the second largest industry in the nation behind government.

Please contact me with any questions or if I be of assistance.

With Appreciation,

Holly Elmore
