What is Moe's?

Moe's is inviting.

We like to greet everybody with a hearty "Welcome to Moe's!" as they walk through the door. It's just how we do things. Whether you're with family, friends, co-workers, or stopping in for a quick bite by yourself, we'll do all we can to make you feel happy and satisfied.

Moe's is about good times.

How can you not enjoy yourself while you're rocking out to your favorite tunes and downing a delicious burrito? If you look up the word "fun" in the dictionary, you'll probably see our logo. Depends on which edition you have, but it's true. Come on in, let's hang. Life's too short not to eat at Moe's!

Moe's is awesome food.

Really awesome food. We use only the most wholesome ingredients around, and everything is prepared in front of your eyes so you get it just the way you like it. Whether it's a Homewrecker burrito, a John Coctostan quesadilla, or a Close Talker salad, your taste buds are gonna be seriously partying.

Our food is prepared mild, but if you want us to kick it up a couple notches, just say the word.
