VEGAN

vegetarian & vegan menu

Vegetarian - a person who avoids meat, including "red" meat, "white" meat and often fish.

Vegan - a person who avoids these meat products and any product from an animal including eggs, dairy products and often honey.

If you are a vegan or vegetarian, Emory Dining has a plethora of dining options for you!! At any location on campus a complete, inventive meal is waiting for you. Most importantly, you can use your meals at four different locations, which all offer vegetarian options daily. Our central location at the DUC offers an entire Vegetarian Station with full meal options everyday. Please read on to find out what else we have waiting for you!
