The EUEC Presents
The Way We Were:
Voices Of the 50s & 60s

How did you look, think, and act in the 50s and 60s? What music did you dance to? What were your favorite books, movies, TV programs, and foods? Your great experiences, academic and otherwise? During Voices, a few EUEC members will provide accounts of their younger years: culture and couture, beliefs and behaviors, and politics and partners. Attendees will then share their memories. Please bring memorabilia (pictures, yearbooks, and other artifacts) for a special event-day-only display.

Period attire is encouraged.
