Dear Members of the Emeritus College and Friends,

I hope this email finds you all well! Several relevant fliers are attached if you would like more information about the events listed below.

Emeritus College Announcements:

Lunch Discussion May 20th (TOMORROW)!! Join us in the Oxford Room of the Hospital Cafeteria for a discussion led by Gene Bianchi (Religion) entitled “*Novelist and Novel.*” He will discuss issues surrounding the writing of his most recent novel, *The Children’s Crusade: Scandal at the Vatican*, such as literature and ideology, fictional characters and people he’s known, and the challenges of writing a child abuse plot. (Flier attached).

Change in Time, Date and Location of Breakfast and Lunch Discussions beginning in June!! Please note that beginning **June 1st**, Breakfast and Lunch Discussions will be held in the MARIAL Conference Room here in Building A of Briarcliff Campus (room 415E). Additionally, breakfasts will move to 9 a.m. and lunches will move to every third Monday. **Parking** is available in front of the building. There are spaces marked for Visitors if you do not have an Emeritus hang tag (available as a Retirement Benefit; if you have any questions about this, please contact HR at 404.727.7613). Please let us know if you have any questions about this move.

Breakfast Discussion June 1st: Please note that the speaker on **June 1st** will be Dr. Ron Johnson (Chemistry) and the topic will be on “American Creation,” based on the book by Joseph J. Ellis about the formation of the American republic between the years of 1775 and 1805. (Flier attached).

I earlier made the mistake of announcing that Don McCormick would be the speaker; he will be speaking at the Breakfast in July.

As always, please let me know if you have any questions or comments (charity.crabtree@emory.edu) or you may call the Emeritus College offices at 404.712.8834. All of our upcoming events are listed on our website, www.emory.edu/emmeritus. Please visit us there!

All the best,
Charity :)
