

Emory University Hardship Fund (Tier 1)

POLICY STATEMENT

The Emory University Hardship Fund (Tier 1) is established to provide financial support to Emory University staff and faculty members who are experiencing a financial hardship due to a Catastrophic Event. The Fund shall be funded by voluntary charitable donations provided by employees and any entities or individuals wanting to assist Emory community members facing unexpected financial challenges. All regular employees who work at least 20 hours per week are eligible to apply for an award from the Fund. Because the Fund is supported by donations, there is no guarantee that there will be available funds at any one time.
