Emory University

2011-12 Tuition Rates

Notes:

- * Annual tuition rates approved by the Board of Trustees 02/10/2011.
- (1) The Emory Pre-College Program credit courses earn 4 credit hours each. Students in this program have the option of enrolling in one course or two. Tuition rates are equivalent to the Emory College Programs summer hourly rate.
- (2) The Emory Pre-College Program non-credit courses' tuition represent FY2010-11 amounts. FY2011-12 tuition rates are subject to change upon further review of market conditions within these programs.
- (3) New students begin this program in the summer term. Entering students beginning this program in summer, 2011 will be charged a \$21,800 semester rate.
- (4) Students enrolled in the Evening MBA Program are charged a credit hour rate based on the number of enrolled hours. Students enrolled for a standard full-time load (6 credit hours per semester, 18 credit hours per year) will pay the equivalent of the approved annual tuition rate of \$23,400.
- (5) New students begin this program in the spring term. Entering students beginning this program in spring, 2012 will be charged a \$23,900 semester rate.
- (6) New students begin this program in the fall term. Entering students beginning this program in fall, 2011 will be charged a \$16,400 semester rate.
- (7) Students enrolled in this program are charged tuition and University and School of Medicine mandatory fees only during the fall and spring semesters, even if they enroll in the summer semester. Students in this program are not assessed any charges in summer semesters.
- (8) Medical students have the option to enroll for an additional year beyond the standard 4 year enrollment, but will not be assessed tuition for that year. However, University and School of Medicine mandatory fees still apply for the fall and spring semesters.
- (9) Full semester rate and hourly rate are based on 9 credit hours.
- (10) Students are charged a credit hour rate based on the number of enrolled hours.
- (11) All students in the traditional or accelerated program plans are responsible for the total tuition of their program (semesters x semester rate). During summer semesters, the hourly rate applies when students take additional coursework above and beyond the 3 or 4 semester program plans and enroll in credit hours or less.
- (12) The Career Masters of Public Health is a (part-time) distance learning program for which conversion of hourly course rates to a semester or annual rate is not applicable.
- (13) Students enrolled in 8 credit hours or less will be charged at the per credit hour rate. Students enrolled in 9 credit hours or more will shift to the Traditional Program full-time charge.
